“Your task is not to seek for love, but merely to seek and find all the barriers within yourself that you have built against it.” Rumi

Soulwork, Dances of Universal Peace, Healing, Turning, Starburst / Starbirthing.

Come join the dance and song of nature with the return of Spring in our bodies, hearts, and souls.

Participants are invited to read the ancient Sufi work of Rumi's predecessor Attar's *Conference of the Birds* in preparation for our adventure.

Let us open to the embrace of the One and only Being here and now!

“I was wedded to all the stars of the sky. There was not a single star left, and I married every one of them with great spiritual pleasure. Then I married the moon.”

Ibn'Arabi

In the Spirit of Abundance, Faith, and Generosity, we are offering the retreat on a donation basis. If you are unable to attend the entire retreat it is possible to attend individual sessions.
